Leaders in Training

Leaders in Training is a teen program specifically designed for our future leaders. This two phase program first sends your teen through a week of training in CPR, First Aid, Working with 4-12 Year-Olds, camp songs, games, and crafts. After successfully completing training and achieving LIT status, you will then be assigned to assist our talented day camp staff with the daily operation of camp activities. This is an amazing opportunity for all teens to gain the experience and skills necessary while under the supervision of our skilled professional staff. Why sit around bored during the summer when you could have fun and go on field trips all while getting real-world job training? Get involved, and get ahead!
